LITERARY REVOLUTION and UNIVERSAL KNOWLEDGE.

An Encyclopedia in 20 vols., over 16,000 pages; 10 per cent. more matter than any Encyclopedia ever before published in this country, and sold handsomely and well bound, in cloth for \$16, in half morocco for \$18, and printed on fine heavy paper, wide margins, bound in half Russia, gilt top, for \$20—an enterprise so extraordinary that its success, beyond all precedent in book publishing, may be fairly claimed to inaugurate a LITERARY REVOLUTION.

THE LIBRARY OF UNIVERSAL KNOWLEDGE is a reprint entire of the last (1879) Edinburgh edition of "Chamber's Encyclopedia, with about 40 per cent. of new matter added, upon topics of special interest to American readers, thus making it equal in character to any similar work, better than any other suited to the wants of the great majority of those who consult works of reference, and altogether the latest Encyclopedia in the field.

Special Discounts to all early subscribers, and extra discounts to clubs. Full particulars with descriptive catalogue of many other standard works equally low in price, sent free.

Leading principles of the American Book Exchange:

- I. Publish only books of real value.
- II. Work upon the basis of present cost of making books, about one half what it was a few years ago.
- III. Sell to buyers direct, and save them the 50 to 60 per cent. commission commonly allowed to dealers.
- IV. The cost of books when made 10,000 at a time is but a fraction of the cost when made 600 at a time—adopt the low price and sell the large quantity.
- V. Use good type, paper, etc., do careful printing, and strong, neat binding, but avoid all "padding," fat and heavily leaded type, spongy paper and gaudy binding, which are so commonly resorted to to make books appear large and fine, and which greatly add to their cost, but do not add to their value.
- VI. To make \$1.00 and a friend is better than to make \$5.00 and an enemy.

BEST IN THE WORLD!

CHURCH & CO'S
SODA WATER
The soda water of a slightly dirty white color. It may appear so, but a comparison with CHURCH & CO'S ARMY AND NAVY BRAND will show the difference.
See that your Baking Soda is white and PURE, as should be ALL SIMILAR SUBSTITUTES used for food.
A simple but severe test of the comparative value of different brands of Soda is to add a dessert spoonful of each kind with about a pint of water (not preferred) in clear glasses, stirring until all is thoroughly dissolved. The serious insoluble matter in the inferior Soda will be shown after settling some twenty minutes or longer, by the milky appearance of the solution, and the quantity of floating rocky matter according to quality.
Be sure and ask for Church & Co's Soda and see that their name is on the package and you will get the purest and whitest made. The use of this with sour milk, in preference to Baking Powder, saves twenty times its cost.
See one pound package for valuable information and read carefully.

Market reports, Agricultural gleanings, fresh Telegraphic news, Household hints, entertaining stories, miscellany and all the features of a first-class weekly newspaper—a complete mirror of all of the events of the week.

In making this extraordinary proposition the publisher is actuated by a desire to build up a large circulation, and to aid the cause of DEMOCRACY in the final struggle AGAINST IMPERIALISM AND CENTRALIZATION. Only the prosperity of the Daily Post-Dispatch enables him to furnish the Weekly at absolutely less than the cost of the white paper upon which it is printed.

Remember that for Thirty Cents or Ten Three-Cent Postage Stamps to you can have the Weekly Post-Dispatch sent to you by mail, free of postage, for Six Months.

These terms are especially arranged for single postage stamp subscriptions—a convenience that will be readily appreciated.

THE WEEKLY POST-DISPATCH is regarded by the press everywhere as a brilliant, live newspaper. Its Democracy is endorsed by the greatest leaders of the party as of the most positive and aggressive character.

By way of inducement to friends to get up Clubs at the new and unequal rates, we will send a copy of the Weekly for six months to any person who will forward us TEN subscriptions for that period. For FIFTY names we will furnish the Daily Post-Dispatch for six months.

We want ONE HUNDRED THOUSAND subscribers for the Weekly Post-Dispatch at these marvellously low rates, and we expect to have them. Every true friend of Democracy is requested to place this Prospectus under the eyes or within the reach of his neighbors.
